

智慧互動式尋車機 (nKiosk)

產品特色：

- 全觸控高清 Full HD1080P 22吋防潑水螢幕
- 遠端操作軟體升級
- 易於使用的介面設計
- 自動與車牌辨識系統同步
- 直覺性設定介面
- 顯示即時停車狀態
- 可輸入車牌、車位、入場時間來查詢
- 車牌關鍵字搜尋
- 從您的位置到停放位置的動態導引路線圖
- 低能源耗損
- 尺寸 : 580x270x1440 mm.

軟體操作畫面：

The software interface includes:

- A main menu with three search options: "依車牌號碼搜尋" (Search by License Plate Number), "依車位號碼搜尋" (Search by Parking Space Number), and "依停車時間搜尋" (Search by Parking Time).
- A search results page displaying six car images with their license plate numbers and parking space codes. Buttons for "導航" (Navigation) are shown below each result.
- A search by license plate number page where users can enter a partial or full license plate number and click "確認" (Confirm). A numeric keyboard is provided for input.
- A detailed parking map showing the layout of the parking garage with numbered spots. A blue dashed line highlights a specific path or route. A small inset shows a camera view of a parking space.
